Short Description
Replacement / Upgrade Ecoswing kit for baselit sabers

Description
Replacement / Upgrade Ecoswing kit for baselit sabers.

This replacement kit comes with:

- New 3000 mah battery
- 12 Watt RGB Emitter
- 9 Sound Fonts
- Ecoswing sound technology
- Charging cable
- Screws and tool for installation

Please note:

1. This kit is not suitable for any saber with an extended neck like Councillor's Lukes and Obiwans - if in doubt please contact us before purchasing
2. The emmitter gets hot and can cause burns to finers - so is recommended to install in saber chasis before turning on as the aluminium body acts as a heat sink
3. If you are not sure how to exchange the kit please see the FAQ's or contact us

before starting.
